

Using 'Reviewer Connect'

Reviewer Connect

Editors can now use Publons' "Reviewer Connect" when searching for reviewers.

Newly assigned

Editors simply follow the normal procedure:

First, select a manuscript from the 'newly assigned' list...

YOUR JOURNAL NAME

Andy Beare as Associate Editor [CHANGE ROLE] SEARCH **DASHBOARD** PROFILE [SIGN OUT]

DASHBOARD

Help Center

'Agree and Continue'

...before clicking to agree and continue.

The screenshot displays a document management interface. At the top, there is a table listing documents:

	27.png	318kB	png	2017-10-02 12:06:21	Figure	Visible to reviewers
	Manuscript (5).docx	49kB	docx	2017-10-02 12:06:37	Manuscript	Visible to reviewers

Below the table is a section for adding documents to a similarity report, with a button labeled "Add document to similarity report" and a plus sign.

The "Take action" section contains two buttons: "Decline to review" (with a prohibition icon) and "Agree and Continue" (with a play icon). The "Agree and Continue" button is highlighted with an orange border.

Below this is a "Help topics for this page" section with two items: "Help topic: manuscript documents" and "Help topic: Video files", each with a plus sign.

The footer is a purple bar with three columns of navigation links:

- Company**: About, Offices, Contact
- Support**: ASK A QUESTION, EU-GDPR
- Session**: Andy Beare, Role: Associate Editor, [Sign out]

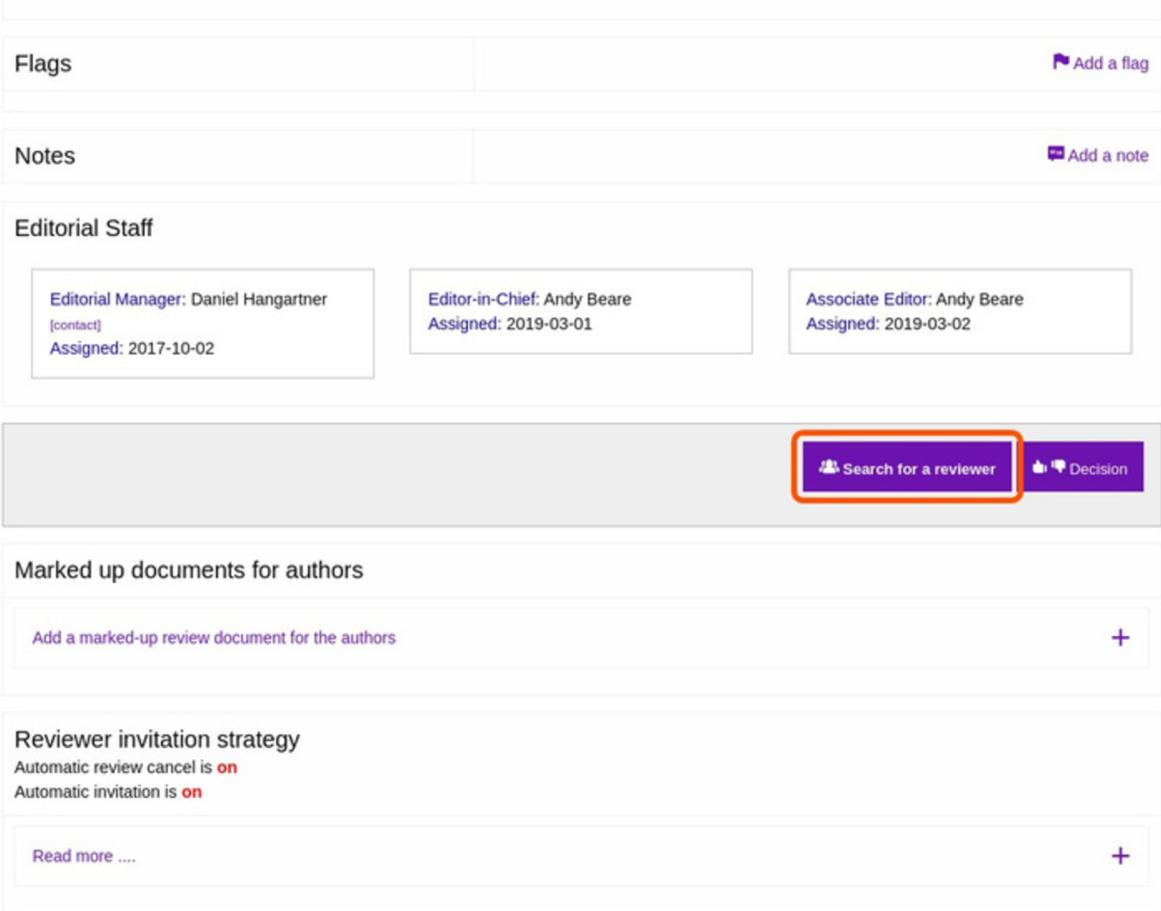

A vertical "Help Center" button is located on the right side of the interface.

'Review'

Doing so brings the editor to the 'Review' page, where the search for reviewers can be initiated.

'Search for a reviewer'

This is done by clicking the 'Search for a reviewer' button.

The screenshot displays a web interface with several sections. At the top, there are 'Flags' and 'Notes' sections, each with an 'Add a flag' and 'Add a note' button respectively. Below these is the 'Editorial Staff' section, which lists three roles: 'Editorial Manager: Daniel Hangartner' (with a '[contact]' link and assigned date 2017-10-02), 'Editor-in-Chief: Andy Beare' (assigned 2019-03-01), and 'Associate Editor: Andy Beare' (assigned 2019-03-02). A central navigation bar contains a 'Search for a reviewer' button (highlighted with a red box) and a 'Decision' button. Below this are sections for 'Marked up documents for authors' (with an 'Add a marked-up review document for the authors' button) and 'Reviewer invitation strategy' (with 'Automatic review cancel is on' and 'Automatic invitation is on' status indicators, and a 'Read more' button). A vertical 'Help Center' button is visible on the right side of the interface.

Search options

Now the 'Review' page generates suggestions from the various reviewer search features.

Reviewer Connect

Publons' 'Reviewer Connect' is the first of the search features listed.

In this case, it has found 29 potential reviewers.

The screenshot displays the Publons interface with several sections. At the top is a 'Notes' section with an 'Add a note' button. Below it is the 'Editorial Staff' section, which includes three boxes: 'Editorial Manager: Daniel Hangartner [contact] Assigned: 2017-10-02', 'Editor-in-Chief: Andy Beare Assigned: 2019-03-01', and 'Associate Editor: Andy Beare Assigned: 2019-03-02'. The main focus is a highlighted green box titled 'publons Reviewer suggestions from Publons Reviewer Connect'. This box contains a 'Read more ...' link with a plus sign, and a summary stating 'Found 29 reviewers from Publons reviewer connect.' with a 'View suggested reviewers' button. Below this is another section titled 'Reviewer suggestions from the database', which also has a 'Read more ...' link and a summary stating 'Found 3 reviewers with matching expertise keywords' with a 'View reviewers with matching expertise' button. A vertical 'Help Center' button is visible on the right side of the interface.

'View suggested reviewers'

Clicking 'View suggested reviewers' will open the Publons 'Reviewer Connect' list.
